MEMORANDUM FOR THE DIRECTOR OF CENTRAL INTELLIGENCE

SUBJECT: Conference with Officials of the Bureau of the Census.  
REFERENCE: Memo for the Record, dated 10 April, 1946 (enclosed).

1. It appeared, at one time, that a second conference with the gentlemen of the Census might be desirable, under C.I.G. auspices.

2. Subsequent consideration of the matter has, however, led the Central Planning Staff to conclude that—since the proposed second conference does not concern agencies subject to our coordination—it should be held, if at all, under Census Bureau auspices rather than our own.

3.  who has handled the matter, has informed the gentlemen concerned of that conclusion.

4. It is recommended that a letter of thanks and appreciation, substantially as indicated in the attached draft, be prepared and forwarded to the Director of the Bureau of the Census.
